

ORIGAMI DI FIORI: LA STELLA DI NATALE

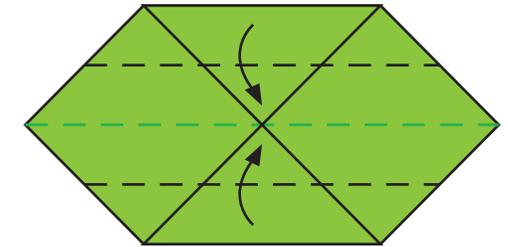

1. per fare questo origami servono fogli di colori e dimensioni diverse

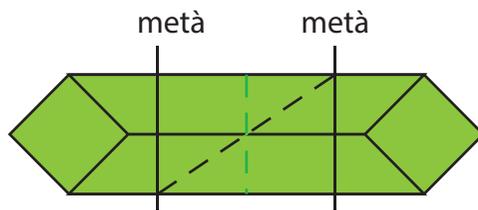

2. piegare lungo le diagonali per fare le pieghe e dispiegare.

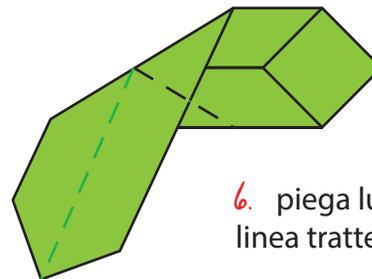

3. piega le estremità e uniscile al centro

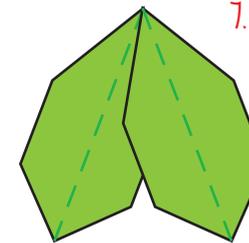

4. piega ancora verso il centro

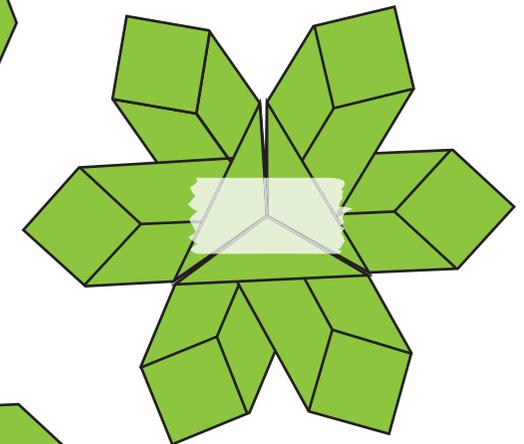

5. piega lungo la linea tratteggiata

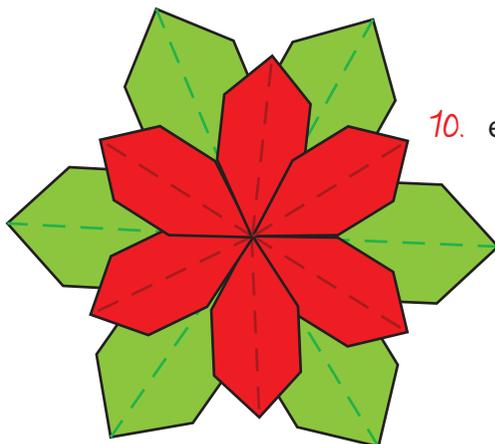

6. piega lungo la linea tratteggiata

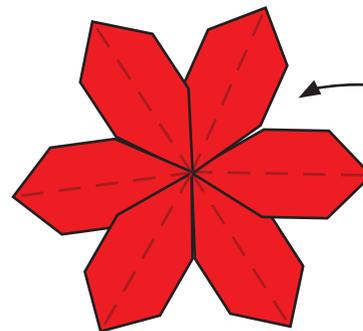

7. hai finito di fare 2 foglie

8. unisci nel retro tre pezzi con del nastro adesivo

10. ecco la stella di natale

9. fai la stessa cosa con il foglio più piccolo e incollalo, girando di 45°, su quello più grande
